Updated Information

Dear Students,

Welcome to the Spring semester at Essex County College. Due to the ongoing pandemic, all classes will be held virtually in both an **asynchronous** and **synchronous** environment. What exactly does this mean when registering and what should you expect?

When registering for fall classes, you will notice various section codes as defined below.

Section Codes: 001, OBC, CW1, CWC etc are considered synchronous courses. These courses will meet synchronously and will maintain weekly meeting schedules via an online platform such as Moodle, Zoom or another designated by the instructor and/or the College. In addition to the LIVE lecture via Zoon, students will perform all course work in Moodle which includes reading assignments, discussion questions, content assessments, projects and anything else necessary as identified by your faculty member. An easy identifier of such sections are those listed with days and times.

Section Codes: OL, OM, HY, and HW are considered asynchronous courses and are also considered the traditional online and hybrid sections. Courses that meet asynchronously will not have meeting times during the week rather they are listed with a TBA. Students are expected to complete discussion questions, reading assignments, content assessments and other coursework according to the schedule posted on their Moodle page. Faculty and students will determine a common time to meet for Live lectures.

As the semester progresses, a small number of **synchronous courses** may be allowed to shift to a hybrid schedule, with a portion of the class meeting on campus. These will mostly be classes with lab components. These courses may be required to shift back to Synchronous mode (no in-person lab instruction) at some point during the semester depending on the progression of the current Coronavirus outbreak and directives from both the Centers for Disease Control and Prevention ("CDC") the Office of the Governor of The State of New Jersey.

In order to get started in your virtual classes, you will need your MyECC login information to access the Learning Management System, Moodle Rooms. Once you enter your course room, you will be prompted to take the Student Orientation which consists of a series of short videos and presentations which will open on **Wednesday January 13, 2021**. The purpose of the orientation is to instruct all learners of the virtual classroom experience which allows for a smooth transition into the virtual course room. We encourage you to complete the

orientation as quickly as possible as the **Spring Semester** begins on **Tuesday, January 19, 2021.** *Please note, you will not be able to access course materials until you earn an 80% percent or higher on the orientation. After passing the Orientation, the course content and materials will not be available until the first day of classes on January 19, 2021.*

All course materials, including the E text are available to you once you enter the course room and pass the orientation. ***You do not need to purchase a text book.*** *When you registered, you were assessed an additional fee for the course of \$100 to cover ALL learning materials for each course.* Attached are instructions and a list of courses for your reference.

If you need further assistance, please contact your instructor or the personnel indicated below for further assistance.

I want to personally wish you the best of luck in your virtual courses and good luck in all of your academic endeavors!

Sincerely,

LEIGH M. BELLO-DE CASTRO, Ph.D.

Online Course Checklist: Students

Prior to the first day of class:

- You will need your webmail user and password to get into the MOODLE website <http://moodle.essex.edu/>
If you are unsure of your credentials, go to my.essex.edu.
- Become familiar with the Online Platform. Login to Moodle and take a look.
- Ask questions if you are unsure. Email any one of the Online Learning Staff Members for assistance or studentsupport@essex.edu

On the first day of class:

- Log In to Moodle and access your course.
- Ensure that you can see and access your course(s) in Moodle on the first day of the semester. If you registered after the course start date, you will not be able to access your course for 24 hours from the time of your registration.
- Get a head start and complete the Mandatory Student Orientation. Note: You must successfully complete the orientation with an 80% passing score in order to view course materials. The Orientation is also used as your first assignment and is a part of your Attendance Requirement for the first week of class. If you do not complete and pass the Orientation you will be considered a No Show and will not be able to view course materials.***
- Locate the course syllabus, read it, and highlight important dates.
- Send out a message to your Professor through Moodle and say Hello.

During the first weeks of class:

- Communicate with your Professor and classmates regularly.
- Understand Student Expectations including response time to questions, assignments, email, course postings, etc.
- After you gain access to course materials, locate and check access to E Text, Power Points, Videos etc
- Introduce yourself to your classmates.
- Good Luck!!!

Semester Courses are here. Click to access your online course.

The screenshot shows the Moodle interface for Essex County College. At the top, there's a navigation bar with the Moodle logo and language settings. Below that, the 'Site news' section features a post titled 'College Open Thursday' by Dr. Leigh Bello-de Castro, dated Wednesday, March 21, 2018. The post content states that all campuses will be open tomorrow, Thursday, March 22, 2018. To the right of the news section is a sidebar with a list of semesters from Winter/Spring 2017 down to English Tutorials. Below the news, the 'My courses' section lists several courses: BUS_201_RSA Principles of Management, BUS_207_HWA Leadership & Supervision, BUS_207_OM1 Leadership & Supervision, BUS_207_OL1 Leadership & Supervision, BUS_207 Leadership & Supervision, and a COURSE DEVELOPMENT TEMPLATE.

Always Check Professor Announcements

The screenshot shows the Moodle course page for 'BUS_207_OM1 Leadership & Supervision'. The page title is 'Class Information' and it includes a 'Your progress' indicator. Under 'Restricted' information, it states the course is not available unless it is after January 4, 2018, 8:00 AM, and that students must achieve a required score in the Orientation Quiz. A list of resources is provided, including 'Professor's Announcements', 'Professor's Announcement Confirmation Receipt', 'Class Forum For GENERAL TOPICS Amongst Course Community', 'NetTutor - Free online tutoring 24 hours per day, 7 days a week!', 'eText', 'Syllabus - Download, edit and upload as pdf', 'Syllabus Spring II 2018', 'Syllabus Acknowledgement', 'Welcome Video', and 'Introductions'. On the right side, there are sections for 'MESSAGES' (listing messages from Mariano Arrieta, Stella Kenny, and Samara Schilens) and 'LATEST NEWS' (listing recent updates from Dr. Leigh Bello-de Castro).

Access your Orientation here.

Good Luck!!

DIGITAL TEXT BOOK INFORMATION

Textbook and Digital Information

A \$100 course technology fee was assessed at the time of registration for each course. This fee includes your DIGITAL COURSE MATERIALS. You will not have to purchase additional text books as they are included.

Access to ETEXTS and Publisher Materials Through Moodle

Most courses will have a link in Moodle to access the materials. Click on the link and follow the process which will include adding your ECC email address. This will take you directly to the EText content and materials. It is important that you enter from Moodle at all times otherwise your grades will not be synced properly.

Brytewave/REDSHELF Email to Students to Access TEXTS

The following list of classes will receive an email to their ECC email account from Brytewave/REDSHELF to access their course materials. Please follow the instructions to activate the textbook. All Brytewave/REDSHELF digital text books will appear in your Essex Email account. There will be no link added in MOODLE.
